

Stony Plain Skating Club

Where success begins...

December 2008 News

SESSION 1 is drawing to a close in December. The coaches are very pleased with the excellent progress made by all program participants. In November, two of our competitive figure skaters, Jordan Nielsen and Heidi Pagenkopf, represented our club at the Skate Canada BMO Sectional Championships. Both girls are to be congratulated for accomplishing personal best scores at the competition.

The executive and coaching staff wish everyone a safe and happy holiday season and look forward to seeing the skaters back on the ice in January.
